INDIAN RESIDENTIAL SCHOOL QUARTERLY RETURN

NOTES ON THE PREPARATION OF THIS RETURN

1. Fill in all the columns of this Return, giving full particulars in the case of each pupil, as called for under the various headings thereof.
2. The columns of the Return should be correctly added and the totals placed at the foot thereof.
3. When, owing to the number of pupils, all the names cannot be included on one sheet of the Return, use another sheet, paging it No. 2, and carry forward all totals, placing them in the proper columns.
4. The Returns must embrace only the quarterly periods ending 31st March, 30th June, 30th September and 31st December, respectively, and should be prepared and forwarded immediately thereafter.
5. No Quarterly Grant will be paid until Returns have been received by the Department.
6. *The total number of days in quarter* means every day in the quarter, including Saturdays, Sundays and holidays.
7. *The aggregate number of days pupils in residence during quarter* means the total number of days in residence of all pupils entered on the Return and is ascertained by adding the column under the heading "Total number of days pupils in residence during quarter".
8. *The average attendance of pupils during quarter* is ascertained by dividing the "Aggregate number of days pupils in residence during quarter" by the "Total number of days in quarter".
9. *The amount per capita grant due for quarter* is ascertained by multiplying the "Average attendance of pupils during quarter" by the amount of the quarterly per capita grant. In no case, however, will payment be made for any average attendance in excess of the number of pupils for which grant is allowed.

SPECIAL NOTE

A new number must be given to each pupil upon entrance to the school. On this Return the names of the boys and the girls must be arranged consecutively according to numbers.

NOTE

Principals will please be guided by the instructions printed on the last page.

Memorandum for Agent's Guidance.

1. The names of all heads of families (including absentees) entitled to participate in a distribution should be entered on the pay-list each year.
2. The Band Number of a family should on no account be changed.
Should a family become extinct, its number should be dropped and not used again.
3. When a member of a family is to be paid separately, as all adults should be, his or her name must be added at the end of the pay-list, under a new number; and the reason for paying separately should be given in the column for remarks.
4. All increases and decreases that affect the number in a family must be entered in the increase or decrease columns: those entered in the column headed "Other Causes," must be carefully explained in the column for "Remarks."
5. No money should be paid to Merchants or other persons who are not Indians, except by special permission of the Department.
6. No money should be paid to any Indian other than the one entitled, unless upon presentation of a written order, which should be attached to the pay-list.
7. Wherever possible the share of an absentee is to be remitted to him, by express order or post office order, at his expense, and the stub or number of the order is to be attached to or stated in the list. When money is sent by registered letter, a receipt for the letter from the postmaster should be attached to the list.
8. All money columns and the columns showing the number of Indians should be correctly added and balanced. The difference between the number on the list paid at this and the previous payment must equal the difference between the total increases or decreases noted in the increase and decrease columns.
9. The Statutory Declarations should be taken before a Justice of the Peace, or a Commissioner for taking affidavits, according to regulations.
10. The pay-list should be returned to the Department promptly after the distribution with a covering letter and statement. Only under very exceptional circumstances should it be retained longer than one month.
11. No additions are to be made to the pay-list unless title to be paid is made clear. The best attainable evidence of birth is to be got. In organized districts the paymaster should demand production of a copy of certificate of birth.

In the case of women from other districts entering the Band by marriage the paymaster must assure himself that they are not paid elsewhere by communicating with the Agent of the district from which they come. No one but newly born children and women entering the Band by marriage should be added to the list without the sanction of the Department.

Beaver Trapping

During the first quarter of the year 1947 the below mentioned pupils, under the guidance of Daniel Sallors (Indian of Moose Factory), received instruction in Indian methods of taking beaver and winter wood life generally. This took place over a trap-line granted to the pupils of the School by the General Supervisor, Fur Developments, I.D. The boys left the school (three each week) Friday morning and returned Sunday noon. While absent from the school they were under the direct supervision of their instructor. Food and bedding was supplied by the school and the other equipment by the local Indian Office. Each boy experienced ten days in the bush during the quarter.

Beaver

Trapping

During the first quarter of the year 1947 the below mentioned pupils, under the guidance of Daniel Seilers (Indian of Moose Factory), received instruction in Indian methods of taking beaver and winter wood life generally. This took place over a trap-line granted to the pupils of the School by the General Supervisor, Fur Developments, I.D. The boys left the school (three each week) Friday morning and returned Sunday noon. While absent from the school they were under the direct supervision of their instructor. Food and bedding was supplied by the school and the other equipment by the local Indian Office. Each boy experienced ten days in the bush during the quarter.
